

Pilates **Tower** Classes

Tower Class Training is a 45 minute class that takes place in the Pilates Studio and includes many of the exercises found in a mat class, but are performed with the assistance of straps and springs attached to the mat or table. Focus is on the Pilates breath and specifically what each exercise is targeting and where you should be feeling it. Pilates Tower classes are a good introduction to Pilates or as a way to improve your Pilates skills in general.

Weekly Tower Class Schedule

Monday 5:30-6:15pm
Debbi
